tofore stood. No name or memorandum can be made on a newspaper inside of the wrapper on which the address is written. It is barely possible to mark an article with pen or pencil. More than this subjects the paper to letter postage, and the violator of the law to a fine. No printed card, hand-bill or advertisement, no written notice, letter or slip of any kind whatsoever, must be folded in the paper. To do any of these things is to violate the law. Printed slips pasted on the outside or folded in papers or periodicals, soliciting notices, are also violations of the law. Senders of transient papers can send bundles of printed matter by weight, on transient postage charges, but must not send any written matter in such bundles. Miscellaneous matter, (embracing pamphlets, occasional publications, transient newspapers, hand-bills, posters, book manuscript, proof-sheets, corrected or not, maps, prints, engravings, sheet music, blanks, flexible patterns, sample cards, phonographic paper, letter envelopes, postal envelopes or wrappers, cards, paper, plain or ornamental, photographic representations of different types, seeds, cuttings, bulbs, roots, and scions,) must be prepaid as follows: on one package to one address, not over 4 ounces, 2 cents; over 4 ounces and not over 8 ounces, 4 cents; over 8 ounces and not over 12 ounces, 6 cents; over 12 ounces and not over 16 ounces, 8 cents. The weight of packages of seeds, cuttings, roots, and scions is limited to 32 ounces.
